

GPSR Safety Certificate

Product name: Shampoo for horses 500 ml

Artikelnummer: SR10184

Intended use:

The product is intended for its intended use in equestrian sports. Please always check the suitability for the individual horse before use.

Contents:

Aqua (Water), Sodium Laureth Sulfate, Cocamidopropyl Betaine, Disodium Cocoamphodiacetate, PEG-4 Rapeseed Amide, Perfume (Fragrance), Sodium Chloride, Bis (C13-15 Alkoxy) PG Amodimethicone, Citric Acid, Polyquaternium-10, Glycerin, Panthenol, DMDM-Hydantoin, Propylene Glycol, Disodium EDTA, Sodium Benzoate, Punica Granatum Fruit Extract, Hydrolyzed Keratin, Cedrus Atlantica Extract, Avena Sativa (Oat) Kernel Extract, Potassium Sorbate, Chamomilla Recutita (Matricaria) flower extract.

Security rating:

The product has undergone a safety assessment in accordance with the requirements of Regulation (EU) 2023/988 on general product safety (GPSR).

The composition, physical properties, packaging, labeling and intended use were examined.

The ingredients comply with the applicable safety standards for cosmetic or care products. It does not contain any substances that are classified as biocidal active substances according to Regulation (EU) No. 528/2012 (Biocidal Products Regulation).

When used correctly, there are no health or physical risks for animals or users.

The product meets the essential safety and labeling requirements of EU Regulation (EU) 2023/988 (General Product Safety Regulation – GPSR) and is safe to use for its intended purpose.

Warnings:

- May cause allergic skin reactions.
- Toxic to aquatic organisms (e.g. fish, crabs, mussels, algae), with long-term effects.
- For external use on horses only. Avoid contact with eyes.
- Avoid release into the environment.
- Protect from heat and sunlight.
- Keep away from children.

Disposal information:

Residues of the product and rinsing water must not enter waterways, soil or sewage systems undiluted. Small quantities can be disposed of with household waste, provided there are no local restrictions. Empty, clean packaging must be recycled (recyclables collection / yellow bag). Please observe local regulations regarding the environmentally friendly disposal of cleaning and care products.
