GPSR Safety Certificate

Product name: Fleecedecke (210 x 200 cm)

Article number: SR10286

General product description:

The fleece blanket (210 x 200 cm) is made of double-sided anti-pilling fleece and is designed for use as a sweat blanket for horses or as a cozy blanket at home. The breathable material helps wick moisture away from the body, supporting a quick drying process after physical activity. The blanket is soft on both sides, quick-drying, machine washable, and comes with a storage bag for convenient handling and storage.

Intended use:

Designed for use as a sweat blanket for horses after training, lunging, groundwork, or rides, as well as for quick and easy covering during warm-up, saddling, or short waiting periods. Also suitable as a comfortable blanket for use at home.

Material:

Anti-pilling fleece

Essential safety characteristics:

- Soft, double-sided anti-pilling fleece reduces the risk of skin irritation.
- Breathable material structure prevents moisture accumulation under the blanket.
- No fasteners, minimizing the risk of entanglement or injury.
- Machine washable for regular hygienic cleaning.
- Storage bag allows for protected and dry storage.

Safety assessment:

The product has been subjected to a safety assessment in accordance with the requirements of Regulation (EU) 2023/988 on general product safety (GPSR).

The material composition, physical properties, construction, packaging, labeling, and intended use were examined.

The materials used and the product design were evaluated with regard to safety aspects relevant to the intended use.

When used as intended, there are no health or physical risks for animals or users.

The product meets the basic safety and labeling requirements of EU Regulation (EU) 2023/988 (General Product Safety Regulation – GPSR) and is safe for its intended purpose.

Warnings:

- Check the fleece blanket for damage before use to avoid injuries.
- Use the blanket only as intended, either as a sweat blanket for horses or as a blanket at home.
- Wash the blanket regularly after use to maintain hygiene and material function.
- Use the storage bag to protect the blanket and store it in a dry place.
- Do not leave the fleece blanket unattended on the horse to prevent entanglement or injury.

Disposal information:

Dispose of the fleece blanket and storage bag with household waste if they are no longer usable. Follow local waste disposal regulations.
